Referee Development Program

The Referee Development Program is a direct response by the Wenatchee Valley Youth Soccer to address the shortage of Referee's in our recreational soccer program. This program is for students 12-15 years of age who desire to:

- Learn and apply the rules of the game of soccer
- Learn leadership skills
- Learn small group management skills
- Learn how to facilitate a game, ensuring fairness and safety of participants
- Get some exercise
- Take on the responsibility of a job

This class isn't affiliated with the Washington Referee Association and is not a Grade 9 certification. This is an introductory level certificate that is sponsored only by the Wenatchee Valley Youth Soccer Association. Participant's must pass a take home written test with 90% or better and complete two training practicum's in order to be hired as independent contractors for the 2010 Fall Soccer season. All Referee's will be paid \$10 per game officiated as long as all paperwork is filed properly with the Assignor. Pay periods will run 8/30-9/30 and 10/1-10/31.

Our first class for the Fall outdoor season is Wednesday, July 7, at the Sportsplex, #2 Fifth St., Wenatchee, WA 98801. Class begins at 6:30pm sharp. Class concludes at 8:30pm.
