U9 & U10

- Build out line / Off-side line will be used (equidistant from Penalty Area to Halfway line)
 - Goal Keepers will not “punt” or ‘drop kick’ the ball. They may distribute via throw, pass or roll on the ground after opponents retreat behind the build out line. If they choose to play prior to players retreating behind the line there is no infraction of the rule. After the ball is put into play, the opposing team can then cross the build out line and play can resume as normal.
- Off-sides will be called. The build out line will be used in determination of off-sides vs using the center line.
